

STAT

21 APR 1950

Thank you for your letter of 18 April expressing your desire to become associated with the Central Intelligence Agency and giving me a sketch of your background.

Enclosed are forms for application for employment and Personal History Statements which it is necessary for all applicants to complete before we can take any action in connection with employment. If you will complete and return two copies of each of these forms to me, I will have my personnel people survey our vacancy situation to see if we have a place where your qualifications might be utilized. They will keep you informed of the possibilities and make arrangements for any interviews which they consider desirable.

Your interest in this Agency is very much appreciated.

Sincerely,
